Carlos Zuñiga with **Catalina Horne** and **23 others** in **Montevideo, Uruguay**. 1 hour ago.

Hi! I'm Carlos Zuñiga. I'm 14 and I'm a student at Liceo 59 in Montevideo, the capital city of Uruguay.

This is my friend Catalina Horne. We're in year 1 at secondary school. Catalina is from Viña del Mar, a city in Chile. I'm not from Montevideo. I'm from Chuy, a small city in the Rocha Department, Uruguay.

There are 25 students in our class. Our classroom is big. The school day starts at 7:00 am and ends at 2:00 pm. I like my school. It is modern. And I like Montevideo. It's a nice city!
