I get up at seven o'clock every morning on weekdays. I brush my teeth and get dressed. Then, I have breakfast with eggs, honey, butter, cheese, olives and tomatoes. I prefer drinking orange juice. After breakfast, I leave home at about eight o'clock and go to school by school bus. I have lessons between half past eight in the morning and three o'clock in the afternoon. I have lunch with my friends at school at quarter past twelve.

After school, I attend my music course at quarter past three and play beautiful songs with my violin. I usually arrive home at about five o'clock and watch some cartoons on TV. I do my homework and have dinner with my family at eight o'clock. After dinner, I go to my room and listen to music. I sometimes go online and search information about my school subjects. I read a book before I go to bed. I always sleep at half past nine.

On Saturdays, my family and I usually go to a supermarket and do shopping. We sometimes go to the cinema and watch a film. In the afternoons we go for a walk in the park and feed the birds there.

On Sundays, my family and I always visit my grandparents. They live in a village and they have some animals. I play with their dog Goldy and milk the cows. Sometimes, I pick fruits or vegetables from their garden. Cherries and plums are my favourite. My grandmother makes her delicious strawberry cake and serves tea with it. We all sit in the living room and talk to each other. We sometimes play games. In the afternoon, we go back home at about four o'clock.
